Matthew
With reference to the above application, given the residential nature of the area I would advise that all works of demolition and construction, including the use of plant and machinery, necessary for implementation of this consent shall be limited to the following times.

Monday - Friday 08:00 - 18:00 Hours

Saturday 09:00 - 13:00 Hours

Sundays and Bank Holidays no work permitted.

Construction work shall not commence until a scheme for the protection of the existing neighbouring premises from dust has been submitted to and approved by the local planning authority. The scheme as approved shall be operated at all times during the demolition and construction phases of the development.

Regards
Hannah
