Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Privacy Light and Noise
Comments:	Having read the new supporting statement I am still unhappy with the purposed building. Even if the present owners restrict the use to 2 hours a day such a sizeable building may attract future buyers and we then have no guarantee of restricted use. I still have worries regarding noise as this is very difficult to police and what is acceptable to one person may constitute a intolerable nuisance to others.
