Dear Rebekah,

RE: AWDM/0415/26 - 26 Lavington Road Worthing West Sussex.

Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying to revert the two existing flats back into a single dwellinghouse. The application is to Worthing Borough Council.

Following a review of the submitted information, we have no objection on surface water grounds. Due to the size, site, location and type of development, **we would recommend the approval of the application.**

Yours sincerely

Sustainable Water Management Officer
