Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Design - Privacy Light and Noise
Comments:	The planning application is described as "Front Dormer Roof Extension and Rear Single Storey Extension" but the plans show a rear dormer too. Please can this be clarified. The rear extension single storey may block our light in part of the house. How long will this extension to the house take, due to noise issues?
