Subject: [Adur & Worthing Councils] Planning - Website enquiry
To: <democratic.services@adur-worthing.gov.uk>

Hello,

Malcolm John Gough ([redacted] has sent you a Planning enquiry from the Adur & Worthing Councils website. The page they sent the message from was:

http://www.adur-worthing.gov.uk/planning/applications/committee/

Account / Reference number (if supplied): AWDM/0213/25
Postal address (if supplied):
[redacted]

Their enquiry was:

I learn that Application to pollard this tall Lime tree has been met with negative "comments". I understand this has resulted in no decision yet being made. My concern and indeed my priority is that this tree is very fast growing with the result that the spread and especially the height make it a serious safety hazard for my home and family. It is located in an area of numerous trees so in no way would this spoil the enjoyment of the bird and animals of the area. Indeed it is part of a visually acceptable area that, with permission, needs pollarding to make it safe for myself and neighbours.

Please reply to this email.

Thank you.
