Dear Sir,

Ref. AWDM/0731/11
3 KINGSTON WAY BN43 6YA

I wish to object to the proposed building work on this property.

The new east wall will be so close to my lounge windows that they will receive no direct light.

Yours faithfully

(MR. J. WRAPSON)

P.S. I did object in writing 4 years ago to the original plans but I can see no mention of this in the folder.
