Do not scale from these drawings. All dimensions must be checked and confirmed on site by the contractor. The local authority may scale if necessary for statutory assessment.
Planning and building regulations approvals must be in place before any works commence on site. This includes full discharge of all relevant conditions. Starting works beforehand is entirely at the client's and contractor's risk.
The contractor is responsible for checking all levels, measurements, and dimensions on site prior to ordering materials or commencing construction.
All construction works must comply with current Building Regulations and be carried out to the satisfaction of the local authority inspector. Additional works may be required if unforeseen conditions arise.
These drawings are not full working drawings and should be used for planning and design intent only unless noted otherwise.
All content and drawings remain the copyright of BuildView. They must not be copied, shared, or reproduced without prior written permission.
The client is responsible for all necessary party wall agreements and procedures under the Party Wall etc. Act 1996
