Dear Carlos,

30 Hillside, Southwick

Proposed garage extension and roof alterations

Your Ref: ADC/0245/09

I refer to your letter dated 10 July 2009 and our subsequent emails.

As requested, I enclose two copies of the amended drawing (Dwg No. 09/05-01 Rev. A) for your consideration. The revisions include:

- The ends of the proposed pitched roof have been changed from barn-hips to hips with small gablet features as per the roof design to the surrounding bungalows; and
- The wall plate has been lowered by 100mm to reduce the overall ridge height by 100mm.

As discussed and agreed, I have kept the roof pitch at 40° which matches the roofs of the adjacent bungalows.

I trust these revisions are acceptable and you are now in a position to approve this application.

Yours sincerely,

[redacted]

Ian Reed
