PLANNING SERVICES

For the Attn of Eve Hearsey

19th January 2017

Dear Ms Hearsey

Re Proposed Extension at 63 Old Barn Way, Southwick
Plan No AWDM/1911/16

Further to the recently deposited Town Planning Application in connection with the above, our client has had discussions with his adjoining neighbour.

Consequently, I enclose revised plans indicating a reduction in the depth of the proposed porch adjacent to the boundary.

We would therefore request that these drawings be substituted for those originally submitted.

I trust that this meets with your approval.

Yours sincerely
