19-04-2013

Your Ref:- AWDM/0411/13
Regarding: 8 Upton Avenue
Southwick.

23 APR 2013

Dear Mr Porter,

Further to my letter dated 16-04-2013, reference the above mentioned property.

I apologise for having to write again but it has just been brought to my attention that the rear extension to No 8 will be 21 feet full width of bungalow. I cannot imagine why it should extend so far. I always thought that extensions to property is limited to 13 feet.

However, to build out so far will mean they will have to demolish their garage which is joined to mine with a thin central wall. It will also shut out light from my kitchen side window.

This extension will also make part

PTO

of the drive way in front of the garages narrower. It is because of this that I mentioned the parking problems in my previous letter - hope you can help me with this situation.

Thank you again for your time.

Yours sincerely

[redacted]

MR. R.H. JONES.
