Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	As I'm the adjoining house and it is a council house, how will this effect me, as when the original rendering and insulation was installed both houses were done at the same Time, so some of no6 insulation overlapped into no8. I am worried that the taking off the old will not make no8 sealed up properly and therefore allow water damage to occur.

Kind regards
