Dear sir madam

I wish to oppose this planning application it would be a disaster for the already over populated goring area !

There are plenty of areas for children to play on the beach it's is almost impossible to park or drive along marine drive during bank holidays or summer holidays due to the amount of people in the area accessing the beach .

During this time we , who live in Arlington ave have people parking across our drives , trouble with large gangs of teenagers gathering on the beach walking up our road breaking bottles and breaking into our cars ,and generally causing a nuisance and noise .

I have lived in this area for over 20 years and this area does not require anywhere with an alcohol licence or a children's sand pit !

The impact on residents will be enormous and seeing as I pay the highest council tax in the area I would not be best pleased to not be able to drive anywhere I wanted in the summer !

The impact on the environment and the local wildlife would be catastrophic !we already have piles of broken glass where we walk our dog after a day on the beach by these people and I am constantly picking up piles of broken glass and litter !

Please oppose this application as it has no use to anyone except the person who wants to develop a beautiful area for profit !

Regards

Dr and Mrs Hemingway
43 Arlington Ave
Goring by sea
