Dear Sir,

Ref: Your Ref: AWDM/1420/15 13 Fishermans Walk, Shoreham by Sea, West Sussex, BN43 5LW

As neighbours living opposite the above property, our only concern is parking. The occupants of No. 13 have 3 cars and a works van (+ visitors) and at the moment can park 4 cars on their drive. They do not use their garage for car parking.

If the drive is built over, where will all the cars go?

We have a fairly narrow road - a cul-de-sac - and there must be space for emergency vehicles and refuse collectors to get down. As there is already a car dealer operating at No. 12 with a constant 4 cars on the driveway and others in the road, together with his clients' cars, we could be facing a problem in a real emergency (especially large fire appliances).

Yours faithfully

Mr. and Mrs. C. Crouch
