Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	We live next door to the property in question. I would hereby like to raise an objection to the rear extension and roof terrace. In particular, the roof terrace, which would seriously compromise our privacy. Since this application, the property, was put up for sale and as of last week, I understand now, a sale has been agreed. Had the current occupants remained, our concerns wouldn't be so great. However, we have no idea of the new owners intentions regarding it's possible prolific use.
