Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	No objections to the latest plans and happy with the new solution to improve privacy of having obscured windows in the 2 rear windows of new first floor. However, we would also be happy to discuss with the owner/s in regard how we can further improve each others privacy, maybe via some further border shrubs/trees (happy to plant our side if needed) and as long as they are kept maintained (eg no higher than 4m). Additionally as mentioned in previous comment, we do have some concerns in regard to noise and privacy during the works. Thus

can we kindly ask that the works are NOT carried out early Saturday mornings (eg after 10am is fine) and not on Sunday's please? Thank You

Kind regards
