Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	The road is narrow enough as it is without work vans making things worse. This family has already caused endless parking issues with the thoughtless way that they and their friends/family park. If a large HGV or fire engine was to come up this road, they would have great difficulty getting through. I strongly object to this proposed development on these grounds.

Kind regards
