Ordnance Survey & Temporary Benchmarks — OSBM 6.77m, TBM 5.35m

All underground services information shown on this plan cannot be guaranteed and users should satisfy themselves of the type, size and route before commencing work on site. Harris Surveys also cannot be held responsible for services or detail hidden or obscured at time of survey.

Tree species and sizes shown on this plan cannot be guaranteed and if critical should be verified by an arboriculturist. Tree spreads are averaged and tree heights are approximated at time of survey.

This plan has been produced for the client detailed below to an agreed specification, and defines the limit of Harris Surveys Ltd.'s liability.
