This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals which include up to 5 residential units or extensions to single units accessed from roads that do not form part of the Strategic Road Network (SRN).

This proposal has been considered by means of a desktop study, using the information and plans submitted with this application, in conjunction with other available WSCC map information. A site visit was carried out on 22/9/2009 by WSCC.

Neither of the CCTV masts are to be located within the publicly maintainable highway. WSCC therefore has no highway concerns regarding this application.
