Hello,

To whom it may concern:

I have been on your website and there is no contact for retrospective planning.

The website is not easy to use so apologies for sending this to you, if this is the wrong department.

Please would you be kind enough to send it on if this is not under your umbrella, thank you.

I am writing in support of 17 North Road, Retrospective Planning Permission, Reference: AWDM/1963/22

(Your Choice Medical Centre)

This is in relation to their air conditioning/heating system.

I use the clinic for acupuncture treatment and this system is essential for keeping people warm when they are having treatment, (or any other treatment for that matter).

The heat system is quiet, efficient and crucial for clients attending the clinic.

Thank you for your consideration of this.

Kind regards,

Alison
