North facing side elevation:

0m Scale bar 1:50 @ A1 10m

Site location plan: 0m Scale bar 1:500 @ A1 100m

Block plan: 0m Scale bar 1:200 @ A1 40m

Notes:

Denotes location of 150mm Clay pipe found on property. The pipe is assumed to be a foul sewer and is approximately 600mm below ground level. The pipe will not be altered in anyway during construction and the total width of the footings should be adjusted to 5.9m total width.
