Stance:	Customer objects to the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	I see from the application that it is requested to remove and replace one yew tree but on the sketch an elm tree is registered as the problem. Which or both are being removed. Also where might Mr Taylor replant either of these trees. Our garden is directly next to Glebe House and we already have a lot of trouble with the trees in his garden. We certainly do not want any more trees on this boundary to cause us any more problems. We would like to see more information on this application.

Kind regards
