This email is being sent on behalf of Mrs Judy Rowe, 53 Greentrees Crescent, Sompting, West Sussex, BN15 9HY

Dear Sir/Madam

Further to my letter of 24th April 2022, I totally understand the owners of number 51 wanting to expand their home with a growing family. I was just anxious to protect my only asset.

I wanted to raise whether there is any way a compromise could be found with say a 3 metre extension which would be less intrusive to my property, so that we may both enjoy our properties as amicably as possible?

Since I registered my concerns about their current plans, communication has not been as it was so I wanted to send this email to see if any solution was possible that we could both be happy with.

Thank you for considering my views. My daughter did try to upload this to the comments section on the portal but was unable to do so.

Yours faithfully

Judy Rowe (Mrs)
