Dear Ms Barker

Thank you for your time explaining the proposed planning for 110 Old Fort Road. In essence I have no objection to the majority of the proposed alterations and feel it will add to the overall effect of the area.

However, please could I kindly ask you to consider that the new full length balcony along the rear of the property does not extend out southwards further than mine and has suitable screening to ensure privacy for both parties . Whilst I do not oppose a balcony as such, I would prefer it should it not protrude further than mine so that when we are both on the balcony, one party can not see or intrude with the other one.

--Many thanks for considering this.
Kind regards

Jackie Verrall
