DESIGN and ACCESS

Assessment

The site is currently used as a DIY store and Garden Centre, with the associated service area; the proposals are to install additional racking in the existing service yard area as required by conditioned by the original planning consent SU/98/04/TP.

Evaluation

The proposals are for additional store racking to enable efficient deliveries to the site by maximising delivery vehicle usage.

Layout

The layout of the racking is confined to the existing service area a with additional storage racking to match existing, with some minor reconfiguration of existing racking to maximise the available space.

Scale

The racking will limited in height to 3.0m as originally consented.

Landscape

The existing landscaping is unaffected by these proposals.

Appearance

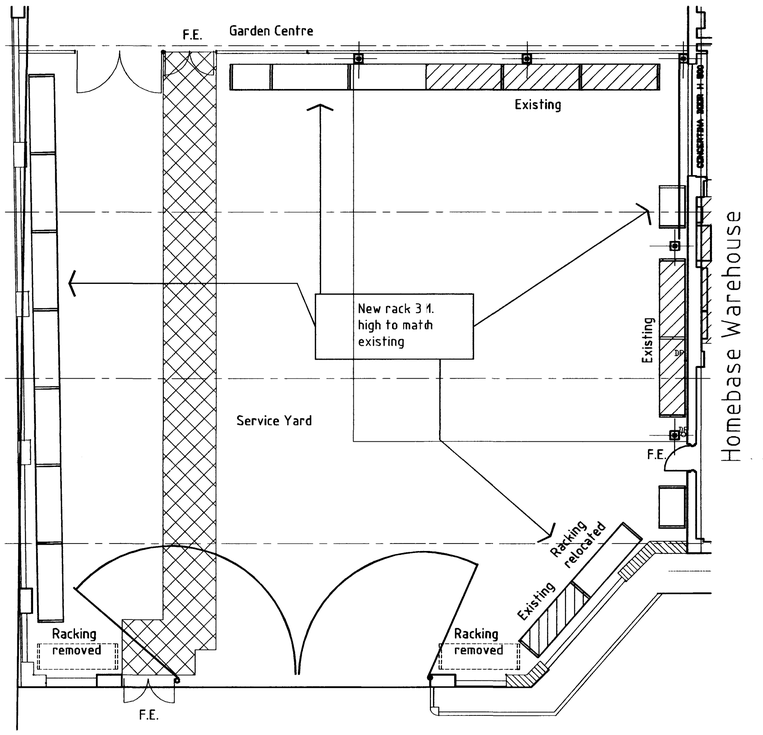

The racking will match in all respects the existing racking within the garden centre enclosure
