3. Description of the Proposal

Please describe the proposed development including any change of use:

I Emily Mulholland Am applying for full planning application to convert the garage at 40 Featherston Road Lancing BN15 9RH into a small dog grooming business, I would be looking for permission for change of use.

The garage dimensions are as follows 2.3 meters by 4.9 meters
It is a pre-fabricated garage and sits to the side of our house but isn't attached
The original garage door would need to be removed and replaced with a double-glazed door unit. The interior of the garage would be insulated and made into a useable workspace for myself only.

Regarding the impact to the area and my neighbours I feel will be very minimal if none,
Our road is a side street with ample street parking, our driveway is also big enough for a client to pull on to so they would not need to park in the street at all there for not causing any issues to our neighbors I also would only be looking to have around 4 clients a day bringing their animals to me.
We have a good relationship with our neighbours and have spoken with them regarding our proposal and none have shown any issue with the idea.

Working hours, I would like to apply for mon-sat 9.00 - 5.00 to cover me to work the hours I need but I do not for- see me working these hours every week, I plan on only working 4/5 days a week and only the occasional Saturday I am hoping to work from home to get myself out of stressful job and into a more peaceful work life I hope this could be taken into consideration with the planning application.

Has the building, work or change of use already started? ○ Yes ◉ No
