SCHEDULE

Reasons for Granting Permission

01. The proposed development would not detract from the local environment and can take place without resulting in unacceptable detriment to the amenities of neighbouring properties. It would consequently not conflict with the saved policies of the Adur District Local Plan (AG1, AH7) or the policies of the South East Plan (CC1, CC6, BE1)

Conditions

01. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

    Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. The development hereby permitted shall be carried out in accordance with the following approved plans unless specified by any other condition attached to this planning permission:-

    Drawing No: 4112:1 Date Received: 13.7.12

    Reason: *For the avoidance of doubt and in the interests of proper planning.*

03. Notwithstanding the General Permitted Development Order and any future amendments, no windows or other openings shall be inserted in north or south side wall of the extension hereby permitted.

    Reason: *To protect the privacy of the neighbouring occupiers in accordance with Adur District Local Plan policies (AG1 and AH7).*

04. The external materials and finishes of the walls of the extension hereby permitted shall, prior to commencement of use of the additional accommodation thereby created, be completed to match in design, colour, bond and texture those of the existing building.

    Reason: *In the interests of visual amenity and to comply with saved policy AH2 of the Adur District Local Plan.*

Informatives / Notes to Applicant

01. If during development, any visible contaminated or odorous material, (for example asbestos containing material, stained soil, petrol/diesel/solvent odour, underground tanks or associated pipework) not previously identified, is found to be present at the site, then no further development (unless otherwise agreed in writing with the Local Planning Authority) shall be carried out until it has been investigated by the developer. The Local Planning Authority must be informed immediately of the nature and degree of the contamination present and a method statement detailing how the unsuspected contamination shall be dealt with must be prepared and submitted to the Local Planning Authority for approval in writing before being implemented.
