Dear Louise,

RE: **AWDM/0776/25 – Liverpool Buildings Liverpool Road Worthing West Sussex**

Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying for the approval of details reserved by Condition 4 (Drainage Strategy and Compliance) of NOTICE/0002/25. The application is to Worthing Borough Council.

Following a review of the submitted information, we note that WSP recommended approval of the original application (NOTICE/0002/25) without applying conditions. Condition 4 was suggested by Southern Water and should therefore be subject to their review.

Yours sincerely,

Sustainable Water Management Officer
