Subject: National Highways response; AWDM/0354/23 - 79 Upper Brighton Road, Sompting (Recommend Conditions)

For the attention of: Ms Eve Hearsey

Council's Reference: AWDM/0354/23

Location: 79 Upper Brighton Road, Sompting, West Sussex, BN15 0JN

Proposal: Vehicular access

National Highways Ref: NH/23/01185

Dear Ms Hearsey,

Further to our consultation response of 28 November 2024, we have been working with the applicant's consultant and are now in a position to lift our holding recommendation.

I attach our formal NHPR response recommending conditions that are necessary to make the proposal acceptable to National Highways in the interests of protecting the safety and operation of the A27 trunk road in the vicinity of this application site.

Please note that our response relates to the proposed scheme shown in Bright Plan Drawing No. 2024-6711-001 Rev B "Access Overview and Visibility Splay" dated October 2024 (attached) and that this does not have a boundary wall fronting the A27.

If you have any queries regarding this response, please contact us at PlanningSE@nationalhighways.co.uk

Kind regards

Elizabeth Cleaver (she/her/hers) Assistant Spatial Planner
