Dear Sir/Madam

Bamboo privacy screen on east side boundary of rear garden

144 Brighton Road, Lancing

I write further to the letter sent on 24 November 2010 notifying you of the above planning application. Please note that there was an error on the description of the development in that it was referred to as being a retrospective application. I would like to clarify that the proposed bamboo screen is to be erected on the wall on the boundary with your property and is not a retrospective application.

If you would like to comment on the application please ensure that your views are received by 18 January at the latest.

Please contact me if you would to discuss the matter further.

Yours sincerely

Peter Barnett
