Email:	
Address:	40 Oldfield Crescent Southwick Brighton West Sussex

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for
comment:

- Design
- Other
- Overdevelopment

Comments:

The submitted documents have ambiguities and lack sufficient information to properly judge the proposal. I therefore object to the application.

Some examples of ambiguity, - block plans 1/2500 and 1/1250 have different outlines of affected buildings. The cross sections of buildings "09, 07" are not referenced to a plan and so it is unclear what these refer to. The statement states that properties are screened by trees, but this is not the case for residents of Oldfield Crescent. The statement shows a 40-metre distance to properties in Oldfield Crescent, however, this is incorrect. The distance to these property boundaries is significantly less.

Whilst I might not have an objection to solar panels as such, I do object to the way the proposal has been presented as it cannot be properly considered.
