Dated : 29th March 2010

Executive Head of Planning,
Regeneration and Wellbeing

Note: Your attention is drawn to the notes and advice overleaf.

2. If during development, any visible contaminated or odorous material, (for example asbestos containing material, stained soil, petrol/diesel/solvent odour, underground tanks or associated pipework) not previously identified, is found to be present at the site, then no further development (unless otherwise agreed in writing with the Local Planning Authority) shall be carried out until it has been investigated by the developer. The Local Planning Authority must be informed immediately of the nature and degree of the contamination present and a method statement detailing how the unsuspected contamination shall be dealt with must be prepared and submitted to the Local Planning Authority for approval in writing before being implemented

   Reason: In the interests of amenity in accordance with Planning Policy Statement 23: Pollution Control

3. The external finishes of the development hereby permitted shall match in material, colour, style, bonding and texture those of the existing building.

   Reason: To ensure a satisfactory appearance to the development in the interests of the visual amenities of the area.

INFORMATIVES

1. Reasons for Approval

   a) The decision to grant planning permission has been taken having regard to the Development Plan as set out below:-

   Worthing Borough Local Plan (adopted September 2003)

   - Policy BE1 (Design Quality – requires new development to demonstrate a high standard of design and make a positive contribution to visual quality of the area).
   - Policy H16 (Domestic Extensions and Alterations - includes criteria for assessing extensions to existing dwellings and ancillary development).
   - Policy H18 (Amenity of Residents – proposals should not have an adverse impact on amenity)

   South East Regional Spatial Strategy (adopted May 2009)

   - Policy BE1 (Management of Urban Renaissance – encourages improvement to the built environment through maximising opportunities). •Policy CC1 (Sustainable Development – development proposals should meet the objectives of the regional sustainability framework in achieving sustainable development).
   - Policy CC6 (Sustainable Communities and Character of the Environment – promotes sustainable development that enhances distinctiveness and high quality built environments providing 'sense of place').

Supplementary Planning Guidance

Extending or Altering Your Home (includes general criteria used for the assessment of all domestic residential extensions and ancillary development).

And to all relevant material considerations, including National Policy and Guidance in particular Worthing Borough Council Supplementary Planning Guidance and all representations and consultation responses received.

b) In reaching its decision the Council concluded that the proposed development would not detract from the local environment and can take place without resulting in unacceptable detriment to the amenities of neighbouring properties. It would consequently not conflict with the 'saved' policies of the Worthing Local Plan (BE1, H16 and H18) and the South East Plan (CC1, CC6, BE1).

This information is only intended as a summary of the reasons for grant of planning permission. For further details on the decision please see the application report which is available from the Planning Reception at Portland House, Richmond Road, Worthing.
