29th June, 2015

For the attention of Mr Peter Barnett, case officer

Dear Sir,

Planning Application: AWDM/0762/15
Revised 24th June 2015. Drawing No 14518-04B

Planning application for use of South facing flat roof as a roof terrace with proposed stainless steel and glass balustrade at 167 Old Fort Road, Shoreham-By-Sea, West Sussex BN43 5HL.

We write in connection with the above application, which has been amended on drawing number 14518-04B, following discussions between ourselves and Mr Keelan.

We note the drawing contains no length measurements, however we understand from Cllr McKinney the length and height of the obscured glass section of the balustrade will be specified in the permission.

We confirm that we have no objection to the revised application as above.

Yours faithfully,

Jean & Graham Irving
