SCHEDULE

Reasons for Refusal

01. Having regard to the limited area of the site and its relationship to existing residential properties, the proposal would give rise to an unneighbourly form of development which would be detrimental to the residential amenities and environment of the locality, resulting in loss of light and and an overbearing effect on the neighbouring house to the south east, and conflicting with the policies of the West Sussex Structure Plan (DEV1) and the Adur District Local Plan (AH7).
