Description of Proposed Works

Please describe the proposed works

We are looking to do 7.8 m x 3.8 m extension at the rear of the property to incorporate the garage into habitable space. We would also like to add a 2.4m x 1.5 m front porch onto the front elevation for extra space for coats and shoes and protect more from south easterly weather. We would like to use ‘Cedral’ Dark Grey Weatherboard as it is resistant to weather and looks nice. If however we need to use white render or brick to match the house then we will do so if it allows permission to be granted.
