Customer objects to the Planning Application.

Comments:
I am rather concerned about this application which I object to.

This is a totally inappropriate use of a retail unit in the village main street. It is also totally inappropriate due to the proximity to public houses, fast food outlets and bank ATM machines.

There is already a problem with young people congregating in the North Road area - they are not actually committing any offence, but many people do find their presence intimidating.

If anyone wishes to play a gaming machine they have ample opportunity to use the machines in the local pubs and the local bookies. The newsagent over the road even sells lottery scratch cards, so I feel that another outlet for gambling in what is the main shopping area should be rejected.
