Reasons for comment:	- Highway Access and Parking
Comments:	Currently, there is not sufficient parking for parents, and there are several incidents a week of illegal parking, blocking drives, and verbal abuse from parents when residents try to get off their property. I personally, have had to contact police on a number of occasions to remove vehicles from my vehicle access. Larkfield Close and Freshbrook Road become no-go areas when the school run is evident. We are effectively prisoners in our own homes. Can there be another entrance from seaside close to alleviate this? Moving some pupils to another entrance would help the problem, but would not remove it totally. There are too many pupils already at the school for the local amenities to contend with.
