SCHEDULE

Reasons for Granting Permission

01. The proposed development would not detract from the local environment and can take place without resulting in unacceptable detriment to the amenities of neighbouring properties. It would consequently not conflict with the policies of the Adur District Local Plan (AG1, AH7).

Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. This permission relates to the amended plan received on 8 December 2009 and not to the plan originally submitted.

Reason: *For the avoidance of doubt and because the application as originally submitted was unacceptable having regard to policy AH7 of the Adur District Local Plan.*

03. The window in the west side elevation of the rear extension and the window in the east side elevation of the first floor extension shall at all times be glazed with obscured glass.

Reason: *To prevent overlooking and to comply with policy AH7 of the Adur District Local Plan.*

04. Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any Order revoking and re-enacting that Order with or without modification), no windows or other openings (other than as hereby approved) shall be formed in any wall of the extensions without the prior permission of the Local Planning Authority on an application in that behalf.

Reason: *To prevent overlooking and to comply with policy AH7 of the Adur District Local Plan.*

05. The materials and finishes of the external walls and roof of the extensions and alterations hereby permitted shall, prior to commencement of use of the extensions, be completed to match in colour and texture those of the existing building.

Reason: *In the interests of visual amenity and to comply with policy AH7 of the Adur District Local Plan.*
