Commenter Type:	Added to Speaker List
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	If a build was to take place at this property, it would block an already over over populated part of the road, restricting access to all who live in the lawns, it is already overloaded with cars, not to mention the disruption and noise it will cause. The area is already built up and needs no more cars trying to find parking spaces that do not exist in the close.

Kind regards
