Dear Ms Barker

Many Thanks for your Letter Dated 7-7-2017
I have Printed off Some Pictures for you. To Look
at our Bedroom is on the Ground Floor Looking out
at the Rear Garden if the Permission is Given it
will be about the Line of our Garage Roof and wont
Look very Nice To Wake Up to Every Morning To Look
at I also Believe That the Proposed Height of
2.3 mtr does not include the Top Bar + Noggins when
you do your Site Visit Feel Free to Come into my
Back Garden even if we are not Home - And this may
Give you a Different Perspective From My Side -
(If at all Possible I would NOT Like This to Go Ahead
as The Council Did Make Them Reduce the Height in 2015
and Where Do we Draw the Line for others to Follow Suit
(Can you Email me the outcome of the Meeting Either Way
Many Thanks for your Help.
