Hi Viki
Amended plan for the above please can you do the necessary (I also have an amended block plan which needs adding too, (amendment also to previous block plan.)
I will ask Dawn to advertise.
Thanks
Hannah

Hi Hannah

Please see attached plan revised to show a flat rooflight as requested. I hope this is satisfactory.

The abutment to the existing sloping roof means that the rooflight is a bit higher than we would have liked but we must have a sufficient gutter due to ice/snow in winter and to prevent any damage from a slipped tile etc.

I hope you can recommend our application for approval.

Regards

Max
