Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	I have already raised this issue with a parish councillor (Sharon Sluman) and provided photos illustrating the amount of dangerous parking at this part of South Street/East Street and behind the old car showroom. I also believe that there will be increased noise pollution, particularly at the back of the proposed shop from deliveries etc given the proposed opening times of the shop. There is already a convenience store 8 doors down which have increased their opening times in lieu of this new shop opening and there is already frequent blockage of pedestrian highway by delivery vans and customers 'just popping in'.

Kind regards
