Planning Officer
Civic Centre
Ham Road
Shoreham-by-Sea.

Dear Sir.

I viewed the plans last week for the proposed development of 29 Slonk Hill Road at the Council Office.

I feel that this is too large an extension for the site and will considerably overlook the properties in Downside.

Slonk Hill Road is on much

higher ground than Downside, therefore an extension on this level will infringe the privacy of neighbouring properties.

I trust you will take note of this point when considering planning permission.

Yours faithfully
