Comments:
Letter delivered by hand 12/11/2010 to Mr and Mrs T Burns - No 41 Prince Charles Close.

Our property is a family home we have always had our own plans to enhance our home to accommodate our young but maturing family. We intend to put our own plans into action within the near future. The "First-Floor rear extension" being planned would prevent us implementing our plans, which are within our rights, to enhance our own property

along our south facing external wall/boundary.
We wish to make it perfectly clear that we object to this planning proposal, and object to the "First-floor rear extension" being built - either attached to our property or within close proximity of our wall.
