19th July 2013

Dear Miss O'Keefe

Re Proposed Roof Conversion 13 Upper Boundstone Lane, Lancing
Plan No AWDM/0179/13

Further to your e-mail of 27th June in connection with the above, I write to confirm that the rear rooflights will be installed with a cill level a minimum of 1.7m above first floor level.

If the obscure glazed option is to be taken up an application to vary condition No 4 will be made. The only clear glazed element of the dormer windows will be a minimum of 1.7m above first floor level.

I trust that this meets with your approval.

Yours sincerely
