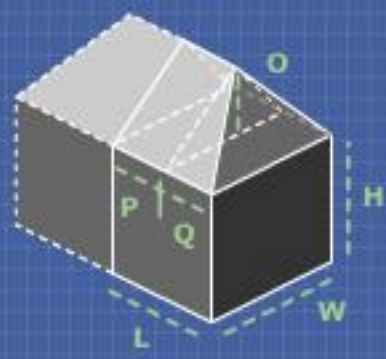
Q	3.976

CALCULATE | RESET

The TOTAL VOLUME is

33.249 **cubic metres**

Building with pitched roof and one end hip - half of semi detached pair



Enter the measurements in the fields to the left, and then click CALCULATE

NOTE ON TAKING YOUR MEASUREMENTS

All dimensions must be based on external measurements of the building or structure involved and not internal measurements..

DISCLAIMER

These calculators are based on standard building shapes. They should be used with care if the building you are measuring involves a combination of these forms or differs in a significant way from those in the calculator. If in doubt seek advice from a qualified person or your local council planning authority.
