SCHEDULE

Reasons for Refusal

01. The proposal would have an unneighbourly impact on the residential character of the Conservation Area and the amenities of the locality by reason of the general level and nature of activity and traffic likely to be generated, contrary to policy AB3 of the Adur District Local Plan.

02. The proposal does not include adequate provision on the site for the parking of vehicles in a satisfactory manner to the standard required by the Local Planning Authority and the proposal would be likely to result in standing vehicles which would interrupt the free flow of traffic on the public highway and add to the hazards of highway users, contrary to the policies of the West Sussex Structure Plan (DEV4-5) and the Adur District Local Plan (AT12).
