PROPOSAL: Two storey side extension (replacing existing attached garage).

LOCATION : 67 Pelham Road Worthing

DATE REGISTERED 6th January 2010

APPLICANT : Nick Brown

WORTHING BOROUGH COUNCIL, under the above Act and Order, gives you notice that its decision upon your application described above and in Drawing No. 01, 02, 03 and 04 which accompanied the application, or as subsequently amended prior to consideration, is to

GRANT PERMISSION subject to the following conditions:-

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

   Reason: To comply with Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The materials and finishes of the external walls and roof of the extension hereby permitted shall match those on the existing building. The development shall not commence until details of the materials to be used have been submitted to and approved in writing by the Local Planning Authority. Thereafter, the development shall be completed fully in accordance with the agreed materials.

   Reason: In the interests of visual amenity.

Dated : 3rd March 2010

Executive Head of Planning,
Regeneration and Wellbeing

Note: Your attention is drawn to the notes and advice overleaf.

3. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (or as subsequently amended), no windows or other openings shall be constructed in the east elevation of the extension hereby permitted without the prior permission of the Local Planning Authority in an application on that behalf.

   Reason: To protect the amenities and privacy of the occupiers of adjoining properties.

4. If during development, any visible contaminated or odorous material, (for example asbestos containing material, stained soil, petrol/diesel/solvent odour, underground tanks or associated pipework) not previously identified, is found to be present at the site, then no further development (unless otherwise agreed in writing with the Local Planning Authority) shall be carried out until it has been investigated by the developer. The Local Planning Authority must be informed immediately of the nature and degree of the contamination present and a method statement detailing how the unsuspected contamination shall be dealt with must be prepared and submitted to the Local Planning Authority for approval in writing before being implemented.

   Reason: In the interests of environmental protection and public safety.
