## Comments Details

**Commenter Type:** Neighbour

**Stance:** Customer made comments neither objecting to or supporting the Planning Application

**Reasons for comment:** - Privacy Light and Noise

**Comments:** Hi,
In principle, outline description of the plan seems good. Just wanted to check on privacy implications of the Juliet balcony on the rear extension. Is it possible to see a plan? It's hard to comment on any impact without understanding the proposed layout at the rear.

Thank you.
