Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Privacy Light and Noise
Comments:	I object to these hours of trading in close proximity to residential areas which I consider excessive. These activities alsocontradict many of the stated aims of government policy ie: To get people out of their cars To reduce obesity To reduce pressure on the NHS. More unsocial traffic noise as people consume base quality foods. An increase in litter as customers of this establishment appear to think it is acceptable to throw their litter out of their vehicle windows. I object to these excessive trading hours and also feel they could also set an unwelcome precedent if approved Clive Morris
