Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	In overdeveloping this property you will reduce the light into the front and back of my property. Increase the noise from the increase in property size once completed impacting on the tranquil peace and quiet of the area. The volume of activity to the property will increase which will increase the volume of cars, parking on the highway on top of the level already parking on the highway currently. This is a quiet sort after location that Woodview have legal restrictions not allowing changes to properties to ensure maintaining the appearance and appeal of the area and ensuring the upkeep of the history of Buckingham House. Norman crescent also has a responsibility to support the area & its history respecting the impact to all that live here.

Kind regards
